

## REACH Compliance Statement

Kvaser AB confirms that our products are classified as "articles" under the **REACH Regulation (EC No 1907/2006)**, the European Union's legislation for the Registration, Evaluation, Authorisation, and Restriction of Chemicals.

We are committed to full compliance with all applicable REACH requirements and actively work with our suppliers to ensure that our products conform to current legislation. This includes monitoring updates to the Candidate List of Substances of Very High Concern (SVHC) and relevant restrictions under Annex XVII.

Kvaser AB provides information in accordance with Articles 32 and 33 of the REACH Regulation when required. For more information regarding the REACH compliance of our products, please contact: [sales@kvaser.com](mailto:sales@kvaser.com)
